EXPERIENCE OVERVIEW

1-Day Budget Arusha National Park Safari

Arusha National Park is a compact but incredibly diverse park located just 30 minutes from Arusha city. It features Mount Meru (Tanzania's second-highest peak), Momella Lakes with flamingos, Ngurdoto Crater, and lush montane forests. The park is home to black-and-white colobus monkeys, giraffes, buffalos, warthogs, and over 400 bird species. The Momella Lakes attract flamingos and other waterbirds year-round. This is the most affordable safari option and perfect for travelers with just a few hours to spare. The park also offers walking safaris and canoeing on the Momella Lakes — unique activities not available in most other parks.
