4-Day Tarangire and Ngorongoro Crater Safari

Explore Tarangire's massive elephant herds and descend into the Ngorongoro Crater for Big Five encounters in just 4 action-packed days.

EXPERIENCE OVERVIEW

4-Day Tarangire and Ngorongoro Crater Safari

Two Iconic Parks in Four Days This compact yet comprehensive safari takes you to two of Tanzania's most rewarding wildlife destinations. Tarangire National Park is famous for its enormous elephant herds and ancient baobab trees, while the Ngorongoro Crater offers the highest density of wildlife in Africa. Tarangire National Park Home to over 3,000 elephants, Tarangire offers intimate wildlife encounters against a backdrop of towering baobab trees. The Tarangire River attracts huge concentrations of animals during the dry season. Ngorongoro Crater Descend 600 meters into this UNESCO World Heritage caldera, home to approximately 25,000 large animals including the endangered black rhino. The crater floor covers 260 square kilometers of diverse habitats.
